

## 6th International Conference on Spine and Spinal Disorders at Prague, Czech Republic

**Uqbah Iqbal\***

*Universiti Kebangsaan, Malaysia*

After the grand success of [Spine](#) 2020, we welcome you afresh for the 6th International Conference on Spine and [Spinal Disorders](#) slated on May 06-07, 2020 in Prague, Czech Republic.

This year we aim to incorporate each unattended sector related to Spine and Spinal Disorders with the refreshing theme of “Exploration and Innovations Which Contribute Hand Towards Curing and Understanding the Diverse Aspects of [Spine](#) and Spinal Disorders”

First of all, we extend our thanks to all of our excellent keynotes, speakers, conference attendees, students, associations, media partners, exhibitors and guests who made this Spine 2019 Congress as the most successful and victorious event. We welcome you all to Spine 2020 event to make it has a successful event.

“Globalize your Research at [Spine](#) 2020, Prague”  
Spine 2020 is your best opportunity to reach the largest assemblage of participants from around the world on a single platform. At this 2-day meeting, the

event will provide a great opportunity to highlight your work and receive recognition and certificates from our respected world-class organizing committee.

Let's meet and explore the beautiful city of Prague.
